Playing spooky little slo-fi folk tunes. Haunting love songs. Songs about rain and about snow, about Achilles and Aegeus, about ghosts and sparrows. Songs about the things we like best. Here are some of those things: jasmine and lily of the valley. Old books. Roasted chestnuts. Crayons. Mushrooms. Snowflakes and black ink. Death Stars and rainbow ponies. Greek gods. Coffee. Robots from space. Fireflies. Magic carpets. Foxes we like the most.
